17m NISI YACHTS

With the opening of a new studio in Antigua, the Setzer team will be pushing forward into 2013 with its "smart design" philosophy on a number of exciting new projects from 17-70 meters. Situated in the heart of Falmouth Harbor's super yacht marina, the new studio will provide an inspirational setting for Setzer Yacht Architects to continue its 22-year commitment to creating elegant, buildable, and seaworthy custom yacht designs.
